

# SUSHI and live bare

*...you help make it our **best.***

*We're the first locally-owned sushi restaurant on the East coast.*

*We're also the first fully sustainable sushi restaurant...ever. (Doesn't that make us sound great?)*

*Our customer service has been liked by these mags: New York Magazine, The Knot, GQ, and Entertainment Weekly.*

*Our chefs come from none other than Japan and Korea.*

*We strive to produce the best sushi in the cleanest way possible. We use the freshest of ingredients and the most organic produce to ensure your dining experience is nothing less than superb.*

*We've got a Facebook page, a Twitter, and a website. And we use them all. So rate us **here.***
